Testimonials

"It was great to be a speaker at the Football Forum Hungary. It was an opportunity to meet people from literally all over the world. Great organisation of the event which is up to par with some of the best events I have been a part of."

Viktor Bezhani
FC Toulouse
Sporting Director

"Build knowledge with moment important for share experience and ideas about football. Interaction with different people with different parts of world give empowering for future. Great time for understanding stat of art football and find innovation for progression football. Build bridges for better football, more goals more fairplay more talent."

Joaquim Milheiro
SL Benfica
Director of Youth Dep.

"As a Stats Perform representative, I can say that Football Forum Hungary 2025 was a well-organized event featuring top industry professionals, offering many engaging panels with high-profile speakers with networking and meeting scheduling remarkably easy. It also provided valuable opportunities for expanding our business in the CEE region."

Daniele Trombetta
Stats Perform
Technical Success
Manager

"Most important thing in our job is networking and Football Forum Hungary gives you the easy way to connect many people from all over the world. This conference truly stood out for its professionalism and relevance."

Gunter Thiebaut
Quadrans
Managing Partner
